## TADSAW's Challenge Campaigns and Giving Ways

### (1) **The TADSAW CFC**

NO... this does not mean Combined Federal Campaign!!!!  
This is TADSAW's "COINS FOR COURAGE" program.

For 25-cents daily, you can help support a Veteran and their Service Dog in-training... That is \$7.50 monthly.. less than \$100.00 annually. Just go to the TADSAW website: [www.tadsaw.org](http://www.tadsaw.org) and click on the DONATE NOW button and make a sustaining monthly payment of \$7.50. Of course, you can always pledge more if you are able!!!!

The 25-cents represent the daily suicide rate of 22 deaths staring at Our Veteran, each and every day without a canine "Battle Buddy"!!!

The COINS FOR COURAGE program was inspired by the students at Freiheit Elementary School, New Braunfels, TX, as their way to raise money during the 6 weeks prior to Veterans Day. The coins are collected by the school library, as part of a reading program, and then presented to the "Train a Dog – Save a Warrior" (TADSAW) program. The students have been recognizing and supporting the program since Veterans Day 2012.

### (2) **The TADSAW AFFORDABLE CARE ACT**

Again NO... This is not a Health Insurance Policy...  
BUT it is a Life Assurance Policy that you can be part of..

The 25-cents represent the daily suicide rate of 22 deaths staring at Our Veterans, each and every day without a canine 'Battle Buddy'.

For 25-cents daily, you can help support a Veteran and their Service Dog in-training... That is \$7.50 monthly.. less than \$100.00 annually. TADSAWCARE is your way of saying It is **AFFORDABLE**, You do **CARE** and it's time to **ACT** !!!! And you are making the assurance that **#23** will not become a statistic!!!!

If you are in business, Take the Challenge and then challenge your customers to join in the challenge. It took an army of well-trained Americans to protect and keep the United States safe, now it will take an army of civilians to keep the Veterans safe at home.
