**LUCKY DOGS Riding CLUB**

TADSAW provides our veterans, their immediate families, Gold Star families,  
as well as First Responders with trained medical service alert dogs.

By training the warrior's own dog, or SAVING A SHELTER DOG, the team is trained – warrior and dog, at  
**NO COST TO THE FAMILY.** Each team costs approximately \$2,500.00 to train.

The LUCKY DOGZ would like to sponsor at least one team with the proceeds of our Shindig!  
Please come out for a great time while helping us help those who have served, and those who do.

**Event is on Rain or Shine!**

**We'll do it all in the Hall!**
